ASSOCIATION SOUTH WEST BRANCH
(FALMOUTH CRUISING)**

CRUISING PROGRAMME 2021

Here is the planned programme for 2021 combined RCYC and RNSA

We start with an evening bash in April at the RCYC organised by our Associate Members that is designed to be fully inclusive for all RNSA and RCYC Cruising people. John, Francis and George will let us know the full details when it is set up with the club.

We have included some interesting events in the Falmouth area that visiting RNSA members may like to include in their cruising planning.

The programme is also entered in to the new RNSA Events Calendar in the members section of the website www.rnsa.org.uk

We hope to see as many of you as possible at the meets – please bring along, or pass along this programme to, any RNSA/RCYC Members that you may know off that may wish to join in. Email contact for us is: rnsafalmouth@gmail.com
